BRETNALL GREAT AUSTRALIAN HOMES

BRETNALL Great Australian Homes don't just build homes; they build lifestyle sanctuaries.

The female-orientated building company is renowned for investing passion and architectural flair into each of their luxurious homes, creating timeless designs with quality craftsmanship that will delight generations of your family down the decades. The multi-award winning luxury home builder has over 75 years of combined experience in the design and building industry with an impressive portfolio showcasing exquisite homes, creating some of the most opulent addresses in Australia and overseas.

True to the ethos of building homes that become more than just houses or places to reside, Bretnall Great Australian Homes are focused on providing elegant designs purpose built to be the owner's private sanctuary, setting a new benchmark for a quality lifestyle.

Their latest creation, perfectly positioned in the rolling Gold Coast Hinterland, is no exception. 'Inspirations' is currently under construction, comprising an 850sqm masterpiece and created to mirror a luxurious Balinese retreat. The design was inspired by the exclusive resorts found throughout the Balinese islands and features sprawling bungalows set over lush tropical gardens. The new home is set on a 4000sqm sloping block of land, in the prestigious acreage subdivision of Huntington Downs in Maudsland, near Oxenford on Queensland's Gold Coast.

Timber accents and stone finishes, floor-to-ceiling windows and pavilion-style cathedral ceilings create the authentic Indonesian feel, complete with lush, fragrant gardens. Add to the landscape the dramatic backdrop of an Australian bushland setting, and your own private Balinese hideaway becomes the ultimate in tranquillity.

Brentnall Homes' portfolio boasts hundreds of uniquely designed architectural masterpieces to stimulate your senses, and all can be easily modified to suit individual tastes and budgets. Their objective is to build fewer but finer prestigious properties, meaning they can always offer you individual attention and an uncompromised building process.

Whether it be a sprawling contemporary mansion, or a classic Victorian-style country estate, building homes that create an impression and establish an empire are their forte. For this reason, Brentnall Homes specialises in building homes in rural and country areas and have most recently discovered the Gold Coast Hinterland as the perfect canvas on which to create some of their finest work.

Large or small, when choosing Brentnall Homes to design and build your home, the possibilities are endless. For more information about Brentnall Great Australian Homes please contact 1800 822 297.
